

Thank You & Next Steps

That concludes this course. Hopefully, you understand the basics of JavaScript enough to move on on your own.

Step Up Your JS

If you'd like to learn intermediate JavaScript, feel free to check out another course of mine, [Step Up Your JS: A Comprehensive Guide to Intermediate JavaScript](#).

As a thank-you for completing this course, here's an exclusive 50% off coupon for it:

step-up-half

Master the JavaScript Interview

Master the JavaScript Interview

JS

For interview practice problems, solutions, and discussions, check out [Master the JavaScript Interview](#). This is my most popular course.

The coupon for this one is:

js-interview-33

Thank You

Thank you for completing this course. If you took value from it, please hit the heart on the course page.

Feedback

Please feel free to let me know if you feel that I missed an important concept. Please let me know if there's something that can be explained better. I'd be happy to update the course. You can reach me on Twitter [@farm_fresh_js](#).
