

# Solution: The Republic of Congo National Flag

So, here's my solution:

And here's the sweet spot of the solution:

```
background-image: linear-gradient(to bottom right, green 33.3333%, gold 33.3333%, gold 66.6666%, re
```

💡 Show Hint

Do you remember that directions can also be set towards corners and NOT just sides?

See the hint above.

## That was Horrible

Let's face it, the solution above isn't particularly perfect.

So, let's refactor!

Does this look better? You bet!
