

Problem: The German National Flag with Gradients

This is like the previous challenge, but here's what the German national flag looks like:

the German national flag

And here's the playground to attempt the challenge:

HTML

CSS

Output

1

2

3

4 #flag {

5 width: 400px;

6 height: 267px;

7 margin: 20px auto;

8 /*write gradient declaration here*/

9 }

10

11

12

13

CSS

output

📄

↶

There you go!

In the next lesson, you can see my solution.

Wait. Try on your hands at this first. Don't move on to the next lesson.
