Choose the most thorough answer for the question, “Describe a mentor who has impacted you in a positive way.”

- ☐ A) My advisor in college was very supportive of me. She placed me in positions where I would succeed.
- ☐ B) Whenever my advisor sent an opportunity my way, I would try it and try to make the best out of it. Since I knew that her career had been very similar to what I wanted to go into, I fully trusted her and the opportunities that she brought to the table. With the help of my advisor’s recommendations I was able to secure a good job right out of college. I graduated with an English degree and was able to build my resume up in a way that made me marketable.
- ☐ C) I had this one advisor in college who was really great. I initially liked her because she had nice clothes, but not as nice as my favorite Professor. My advisor was a Professor too, but she wasn’t my favorite. Anyway, she helped me to land some good positions that I think really helped me. She pushed me towards this role, in fact. She’s a really great lady.
- ☐ D) My advisor in college was very supportive of me. She

placed me in positions where I would succeed. Even when I didn't know it, my advisor was always looking for ways that she could help me build my resume. Whenever my advisor sent an opportunity my way, I would take it and try to make the best out of it. Since I knew that her career had been very similar to what I wanted to go into, I fully trusted her and the opportunities that she brought to the table. With the help of my advisor's recommendations, I was able to secure a good job right out of college. Even though I had only just graduated, I left college with a full resume that made me marketable and brought me to a great, full-time position.
